Under the new FCC rules governing the use and disclosure of Customer Proprietary Network Information (CPNI), MTC Technologies will only be allowed to discuss CPNI at our office with those listed as an authorized user on the account and carrying a photo ID. The only exceptions may be for certain routine customer service issues if you have all pertinent information with you, such as the bill or call detail information you wish to discuss. **Remember, CPNI includes call detail information and certain account information, including the amount of your bill.** For telephone inquiries, other rules dictate how we authenticate a customer. By signing below, the customer is expressly requesting that the company share certain account and call detail information, including Customer Proprietary Network Information, with authorized account users and is authorizing the company to share such information with authorized users as necessary to address service and account inquiries initiated by the account owner or any authorized user.

By signing this application for internet service, I take full responsibility for all installation and security-related issues regarding my computer system. I understand that DSL is a "constant connection" to the Internet with a static IP address and is more susceptible to security breaches. **I WILL NOT HOLD MTC TECHNOLOGIES LIABLE FOR ANY SYSTEM PROBLEMS INCLUDING LOSS OF DATA OR SECURITY RELATED PROBLEMS.** I also understand that this service is strictly for subscriber use and resale is prohibited. I agree to maintain the mailbox size of 20 mb.
